# JADE OF CHIEFS AWARD

## Presented by Matt Miller

---

The Jade of Chiefs Award was established in 1958 as OWAA's top conservation award. Tenure and position in, or service to, OWAA is not criteria for this award. This award represents an affirmation of OWAA adherence to, and support of, the principles of conservation. In 1963 the Circle of Chiefs was designated as OWAA's Conservation Council. As such, it is OWAA's conservation conscience.
