Re: Complimentary Fishing Licenses

Please find attached a VT sporting license application for the complimentary 3-day fishing and/or small game license for attendees of the OWAA National Meeting in October 2021.

Each attendee participating in a fishing or small game activity will need to fill out sections 1, 2, 3 (if applicable), 4 and 6 of the sporting license application. If small game is selected, a license affidavit will need to be completed as well, unless they have held a valid hunting license in VT in the previous years. In lieu of the license affidavit, hunters can submit a copy of their hunter education card or a copy of a hunting license as verification of eligibility.

Each participant should scan and returned the required forms via email to [cheri.waters@vermont.gov](mailto:cheri.waters@vermont.gov).

Once processed, an email confirmation will be sent to the email designated on the license application with a link to print their license. If participants choose, an electronic/digital version of the license is also acceptable.

If you have any questions, please do not hesitate to reach out.
